

Dr Mark Diesendorf, Keynote Speaker, Information

Bio

Dr Mark Diesendorf BSc (Hons), PhD is Honorary Associate Professor in Environmental Humanities at UNSW Sydney and Education Program Leader of the Australian Cooperative Research Centre for Low Carbon Living. Previously, at various times, he was a Principal Research Scientist in Australia's national research organization, CSIRO; Professor of Environmental Science and Founding Director of the Institute for Sustainable Futures at University of Technology Sydney; and Director of Sustainability Centre Pty Ltd. Currently his principal research is on integrating renewable energy on a large scale into electricity supply-demand systems. His books include *Sustainable Energy Solutions for Climate Change* (Routledge and UNSW Press, 2014) and *Climate Action: A campaign manual for greenhouse solutions* (UNSW Press, 2009).
